TITANIC

LOVE STORY

Ida and Isidor Straus

JUNE HALL McCASH

The non fiction book club's March selection is *Titanic Love Story Ida and Isidor Straus* by June Hall McCash. This book is an intriguing story about a Jewish couple who did not survive the sinking of the titanic. The author provided historical

background of the families immigration from Germany, their settlement in Georgia and eventual move to New York.

Isador and Ida met in New York and started their family there. He excelled in business, eventually becoming an owner of Macy's and also was a member of Congress. However, the dominant theme throughout the book was the couple's commitment and affection for each other.
